

CASCADE AIRWAYS BAC 1-11 201/AC

The regional airline of the Pacific Northwest began humbly on May 24, 1970 on a single route from their home of Spokane to Seattle (Boeing Field) with a Beech 99. Since then, Cascade has grown to cover all of the Pacific Northwest. Cascade introduced jet service on September 15, 1984 with their newly-acquired BAC 1-11 equipment.
